

THE MADISON COUNTY FAIR

Fair books are subject to change. Please see the website for questions and updates or call: (315) 899-5867.

Please take special notice of the NYS animal health requirements. These regulations will be strictly adhered to. If you have any questions, please see website: www.agriculture.ny.gov/AI/AIHome.html

There have been some class changes and premium changes. These changes were made on the suggestions of exhibitors.

Animal entries are to be postmarked by July 15th or late fees will be applied.

General entries are to be received no later than 5:00 pm one (1) week prior to opening day.

The only exceptions to this policy are as follows: Motor sport events should all be made the day of the event. There will be no advance registration for those events unless noted on the website or social media account.

The entry clerk would strongly prefer all entries to be made by mail or email.

No entries will be accepted for any category not clearly identified in this premium book or not on a MCF entry form. Exhibitors have the sole responsibility for entering their exhibits in the correct class. The entry clerk will be available to assist exhibitors in determining the appropriate competitive categories.

Exhibitor tickets will be available free to all exhibitors entering 3 or more exhibits which remain on the grounds for the duration of the fair or who show livestock. Exhibitor tickets for other exhibitors will be available for \$3.00.

Note: Alcoholic beverages will not be brought onto the Fairgrounds. Alcoholic beverages are available on the Fairgrounds and may ONLY BE CONSUMED IN THE FENCED IN AREA.

ALL DOGS ARE PROHIBITED FROM THE FAIRGROUNDS!!!
