All pullers must fill out a complete entry form and pay entry fee at time of registration.  
Entry fee will be \$30.00 per puller - per class.  
The Madison County Fair will not be held liable for any accident or personal injury.  
Payout will be after each class.

**CONTEST RULES**

1. All drivers must have a valid driver's license.
2. **ALL TRUCKS MUST WEIGH IN BEFORE AND IMMEDIATELY AFTER EACH PULL.**
3. All hitches will be inspected at weigh-in.  
**Staff will have the right to disqualify any unsafe hitch.**
4. Trucks will be equipped with manufacturer's engine.
5. Any new, unusual, or questionable modifications must be approved by staff.
6. All pulls must start from a tight hitch; no jerking.
7. Truck and sled must remain within the boundaries (white lines); touching of the lines during the pull will result in disqualification.
8. Each puller will be given 2 chances per class to pull unless the first pull exceeds 100 feet in which case that will be measured as an official pull. No exceptions!
9. Each contestant will be allowed only one official pull unless a tie is declared.
10. The pull shall be considered over when forward motion of the load stops.
11. The order of the pull will be determined at registration.
12. Loss of weights on track while in forward motion will result in immediate disqualification.
13. If breakage occurs, pull will be measured to that point.
14. All drivers will obey flagman's signals. Trucks must be stopped immediately upon signal from judge or disqualification will occur.

15. Trucks must always be operated in a safe manner. Driver will be disqualified for reckless operation of truck; before, during or after a pull.
16. No driver will be allowed to participate under the influence of drugs or alcohol.
17. Drivers can hang weights on front of truck.
18. IF YOU SHUT DOWN LESS THAN 100 FEET, YOU MUST BACK UP AND RE-PULL IMMEDIATELY.
19. All motors must be naturally aspirated.
20. All motors to be equipped with an air breather.
21. No shifting of standard transmissions during the pull.
22. Must pull from bumper; hitch or class 3 style hitches.
23. Maximum hitch height of 26 inches, at staff/superintendent discretion.
24. Draw bar length is to be a minimum of 36% of actual wheelbase, measured from the center of rear wheel to point of hook.
25. Tires cannot be equipped with studs or chains.

### **Pure Stock, Gas/Diesel, Street Mod**
